*LabCorp will provide the test results to your doctor before releasing them to your LabCorp Patient portal account.

Getting Started

Visit https://patient.labcorp.com or download our installable app on your mobile device.

Available to US residents only.

The NEW LabCorp Patient™ portal is an easier way to securely view your lab test results, pay your bill, and more from your mobile device or desktop.

Available on desktop and mobile devices. Sign up today: https://patient.labcorp.com
All users must create a new account in the LabCorp Patient portal. You may have previously registered to use LabCorp Beacon®: Patient*, but to use the new portal, a new account is required. All results from your old account will be available in your new LabCorp Patient account. You can continue to use your existing LabCorp Beacon®: Patient User ID as your new patient portal User ID.

Create an account by completing the New Registration Form. You have the option to use your last four digits of your Social Security number or a valid Driver’s License number (available only in certain states†) to verify your identity during registration.

After you have completed the New Registration Form, click Create Account.

†The Driver’s License option is available only in the following states: CT, DE, FL, ID, IL, KY, LA, MA, ME, MI, MN, MO, MS, NC, ND, NE, NH, NV, OH, SC, TN, TX, WI, WV, and WY. You must select the button for Driver’s License or last four digits of Social Security number to enter the information.
Step 2: Account Verification

After creating your account, you will be directed to a page to verify your account using a One-Time Verification Code, which can be sent to you via text message or email. Click the option you prefer and follow the steps below based on your choice.

1 Text Message

To verify your account by text message, click the agreement box and then enter the mobile phone number to receive your One-Time Verification Code. When finished, click “Send Text.”
After you have finished selecting a method for receiving your One-Time Verification Code, retrieve the code from your email or mobile phone and enter it on the verification page, then click “Verify.”

The Account Created page will open where you will be able to login to your account (See Step 3).
Step 3: Login to your account

On the Account Created page, use the User ID and Password you created on the New Registration Form, then click “Login” to access your LabCorp Patient portal.
