

LabCorp Patient™ is an easy way to securely view your lab test results, pay your bill, and more from your smart phone, tablet, or desktop.

Sign up today:
<https://patient.labcorp.com>

Available on smart phones, tablets, and desktop.

By using LabCorp Patient, you can:

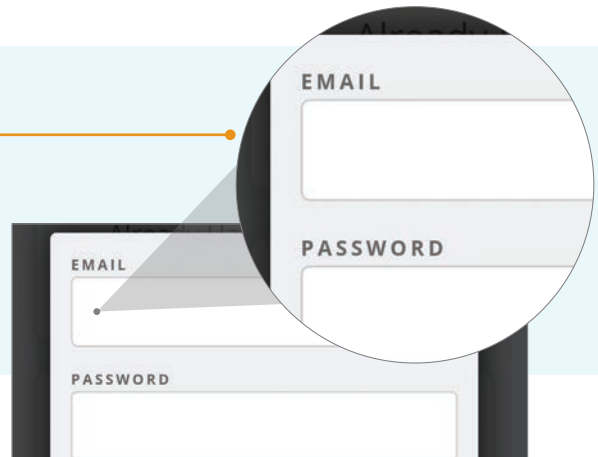

- Receive lab test results.*
- View and pay your electronic bill online easily and securely.
- Manage your profile and keep your contact information current.
- Manage and reset your own password.

*LabCorp will provide the test results to your doctor before releasing them to your LabCorp Patient account.

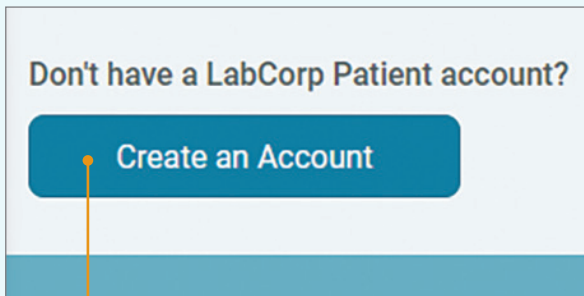

Getting Started

Visit <https://patient.labcorp.com> or download our installable app from your smart phone, tablet, or desktop.

Step 1: **Sign up**

Click **Create an Account**

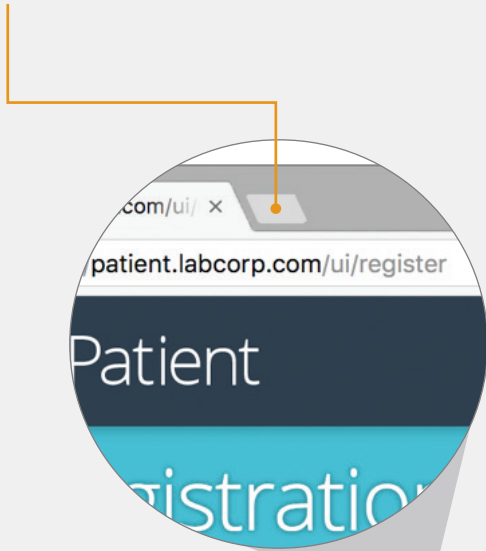

All users must create an account in LabCorp Patient. Create an account by completing the New Registration form. You may have previously registered to use LabCorp Beacon®: Patient. You can continue to use your existing LabCorp Beacon: Patient User ID as your new User ID in LabCorp Patient.

After you have completed the New Registration Form, click **Create Account**.

Step 2: Account verification

Email Verification

To verify your account via email on a desktop, you must open a new tab within your browser.

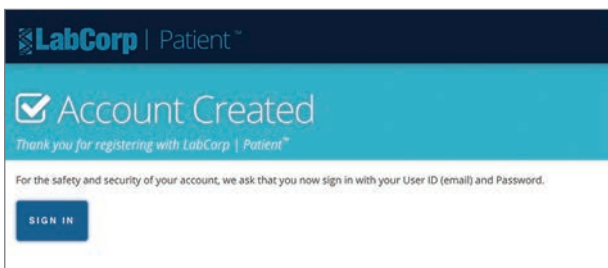

DO NOT close the New Registration form or click the back button on your browser.

The form has a teal header with a white lock icon, the title 'Email Verification', and the instruction 'Please check your email to receive your One-Time Verification Code.' Below the header is a white section with the label 'ONE-TIME VERIFICATION CODE' and a text input field. At the bottom is a blue button with the text 'VERIFY' in white.

The Account Created page will open where you will be able to sign in to your account (**See Step 3**).

Step 3: **Sign in to your account**

On the Account Created page, use the User ID and Password you created on the New Registration form, then click **Sign In** to access your LabCorp Patient account.

Available to US residents only.
